

Presented by Math Science Nucleus and City of Fremont

ROSES *in the* GARDENS

Join us for a day of learning, laughter, and hands-on adventures where science and nature come together in full bloom. Visit the new **Rose Garden** and **Historic Display Gardens**, and smell the roses! Perfect for families, kids, and curious minds.

- ✓ Hands-on history & science activities
- ✓ Guided tours of the Display Gardens
- ✓ Fun scavenger hunts
- ✓ Explore the Office Museum
- ✓ Visit LEAF Community Garden

Funding for the rose gardens made possible by the generous donations of Hemant & Nalini Gupta

Free!

Saturday
May 23rd, 2026
