

Name _____

Plotting Temperature Data from Compost Bins

Directions: Use the Data collected below (left) and plot it on the graph on the bottom. Label the horizontal and vertical axis. Then connect the dots and compare to the graph on the right below (is it similar?).

Day	Temperature (Celsius)
1	10
5	20
10	40
15	60
20	65
25	62
30	61
35	60

PLOTTING DATA ON A GRAPH (X/Y)
